Premium Adjustment

Each year, we review our medical payments and personal injury protection coverages claim experience to determine the vehicle safety discount that is applied to each make and model. In addition, we review the comprehensive, collision, bodily injury and property damage claim experience annually to determine which makes and models have earned decreases or increases from State Farm's standard rates. If any changes result from our reviews, adjustments are reflected in the rates shown on this renewal notice.

Driving Safety Record Rating Plan

Your driving safety record, along with other rating factors, determines what you pay for Liability, Medical Payments,

Comprehensive, Collision, and Uninsured Motor Vehicle Coverages. Policyholders with no accidents and convictions pay less than those with accidents and convictions.

(continued on next page)

The Driving Safety Record Rate Level that is assigned to your policy moves up, down, or stays the same every policy renewal, depending upon your driving record. For every 12 months since the renewal following the occurrence of a chargeable accident or the conviction of a minor violation, the initial assigned Driver Record Level for that chargeable accident or conviction shall be lowered by 1 level. For each 12 month period since the conviction of a major violation, the initial assigned Driver Record Level for that conviction shall be lowered by 2 levels. The Rate Level is increased if there are subsequent chargeable accidents or convictions.

Definition of Chargeable Accidents

Chargeable accidents for new business are those which resulted in bodily injury or death or in payment(s) by an insurer due to damage to any property in the amount of more than \$1000. For accidents occurring prior to December 11, 2011, an accident shall be chargeable provided it resulted in death or in payment(s) by an insurer

due to damage to any property in the amount of more than \$750.

For applicants without prior insurance at the time of the accident, an accident shall be chargeable provided it resulted in damage to any property in the amount of more than \$1000 (more than \$750 if the accident occurred prior to December 11, 2011).

Chargeable accidents for renewal business are those which resulted in bodily injury or death or State Farm claim payments totaling more than \$1000 (more than \$750 for accidents occurring prior to December 11, 2011) under property damage liability coverage and collision coverage combined.

For more information about the rating plan, please contact your State Farm agent.

Important Notice Regarding Your Premium

State Farm works hard to offer you the best combination of price, service, and protection. The amount you pay for automobile insurance is determined by many factors including:

- The coverage you have
- Where you live
- The kind of car you drive
- How the car is used
- Who drives the car

Any premium adjustment is reflected on this Auto Renewal. If you have any questions, please contact your agent.

Buying a new car? Remember to contact your agent!

When you buy an additional car or one that replaces a car already on your policy, you need to report the change to your agent **promptly**. Even though the dealership you purchased the car from may offer to notify your agent or insurance company, you, as the named insured, are responsible for reporting all changes to your auto policy. By contacting your agent, you can help:

- avoid any complications or lack of coverage in the event of an accident or loss,
- avoid insurance verification problems with a lienholder, the police, or the department of motor vehicles, and
- ensure that you receive any new discounts you may be entitled to.

Your current State Farm policy automatically provides certain coverages for a new or replacement car for up to a specified, limited number of days after you take possession of the car. Please refer to your policy for the number of days that applies in your state.

If you have any questions about coverage for a newly acquired car, please contact your State Farm agent.
