**Important Policy Information**

- Please review the front and/or back of this page for your coverage and discount information.
- Reminder - Physical damage coverage will not cover loss for custom options on an owned automobile, including equipment, furnishings or finishings including paint, if the existence of those options has not been previously reported to us. This reminder does NOT apply in VIRGINIA, however, in Virginia coverage is limited for custom furnishings or equipment on pick-up trucks and vans but you may purchase coverage for this equipment. Please call us at 1-800-841-3000 or visit us at geico.com if you have any questions.
- Confirmation of coverage has been sent to your lienholder and/or additional insured.
- Claims incurred while an insured vehicle is being used to carry passengers for hire may not be covered by this contract. Please review the contract for a full list of exclusions and contact us if you plan to use any of your insured vehicles for this purpose.
- Check carefully that all operators of your auto(s) are shown. Your failure to list a household member or any individual who customarily operates your auto may have serious consequences.
- The New Car Discount no longer applies to your 2021 KIA.

Important Policy Information

- You must notify us of changes that have occurred prior to the renewal of this policy and during the policy period. It is a crime to knowingly provide false or fraudulent information for the purpose of defrauding an insurance company. If you or someone else on your behalf has knowingly given us false, deceptive, misleading, or incomplete information and if such false, deceptive, misleading or incomplete information increases our risk of loss, we may refuse to pay claims under any and all of the Optional Insurance Parts and we may cancel your policy. Such information includes the description and the place of garaging of the vehicle(s) to be insured, the names of all household members and customary operators required to be listed and the answers given for all listed operators. We may also limit our payments under Part 3 and Part 4. Check to make certain that you have correctly listed all operators and checked the completeness of their previous driving records. We will not pay for a collision or limited collision loss for an accident which occurs while your auto is being operated by a household member who is not listed as an operator on your policy. Payment is withheld when the household member, if listed, would require payment of additional premium on your policy because the household member would be classified as an inexperienced operator or would require payment of additional premium on your policy under the merit rating plan.
